

OCC SPINEFITTER

BACK IN BALANCE

SPINEFITTER BY SISSEL®

SPINEFITTER by SISSEL®, an innovative tool designed to ease shoulder-neck tension and enhance spine mobility by releasing vertebral joints and decreasing blockages. It aligns the spine naturally, providing relief through movement. With 28 interconnected balls that apply deep pressure to relieve tension, it's your key to a healthier, stronger back.

Key Features:

- Spine training device with 28 interconnected balls
- Improves joint mobility & eases spinal tension
- Strengthens deep muscular tissue
- Made of non-porous, integral foam
