PERFORMANCE HEALTH®

Stopain® CLINICAL
MAXIMUM PERFORMANCE PAIN RELIEF

STOPAIN CLINICAL
PAIN RELIEF

This clinical pain relief is designed to provide fast, lasting relief from sprains, bruises, arthritis, muscle, joint and back pain. It consists of 10% active menthol, MSM, and glucosamine. Polymer technology creates a smooth glide for consistent application. Conditioners leave skin soft and moisturized. Paraben-free and made without dyes, fragrances or preservatives.

Key Features:

- Exclusive to healthcare professionals to improve patient outcomes
- Sweat resistant to work great with tape without impacting adhesion
- 10% menthol, MSM, glucosamine, eucalyptus & peppermint oil
- Kinesiology tape may be applied with no need to wash/wipe the skin
